## Beltsville Training Director Vacancy

**Update 12/15/2018: Based on feedback the committee has received from members, we have clarified some aspects of the position description. Because of the changes and the coming holidays, the committee is extending the application deadline until February 22, 2019.**

**Although the Beltsville Training Director would be overseeing and have responsibility for all of the programs, since the scope of the position is so large, please include your ideas as to how you would delegate some of the work. We would expect that at first you would spend time becoming familiar with all of the present programs and then make suggestions to the Board of Directors for possible changes.**

Canine Training Association has been fortunate to have had the expertise, guidance, loyalty and dedication of Ken Nagler as President and Training Director of CTA for more than thirty years. Although remarkably active at 98 years old, Ken would like to step back and have a new leader assume the role of Training Director at Beltsville.

Karen Long has been acting Training Director at Davidsonville and will continue permanently in that role.

We have formed a committee to help shape the requirements and select a new Training Director for Beltsville. We have listed the responsibilities of the Training Director and some of the qualities that we think would make a solid leader. In order to assure a good fit, the position is probationary for six months, effective April 15, 2019 through October 15, 2019.

Applications are being accepted by email or postal mail, to be received by the close of business on

Friday, February 22, 2019. Please email your application to [TDjob@ctadogs.org](mailto:TDjob@ctadogs.org), or mail to:

Susan Beatty  
27 Wallace Manor Road  
Edgewater, MD 21037
