Guidelines

I will follow all CTA rules and requirements to help reduce exposure and possibility of contracting or spreading the virus. I will also fully cooperate with and follow any City, County or State (including applicable health department) guidelines that have jurisdiction in the location of CTA and/or CTA- sponsored events. If any of the above should change prior to my arrival at CTA or during my visit to CTA, I will inform a CTA designated volunteer and/or the CTA office and proceed accordingly.

Masks or face coverings are required to be worn by all parties during interactions closer than 6 feet. During the times that masks are not being used, all parties agree to stay at least 6 feet apart to minimize the risk for virus transmission.

Due to the nature of dog training, I understand that the Instructor will be interacting closely with their pet(s), which may include touching them. Where possible the Instructor will ask for my assistance in order to minimize interactions.
